

Space Missions for Your Organization

Take Your People to New Heights of Discovery and Potential

The Challenger Learning Center of Northern Nevada has taken thousands of local students on missions of learning and exploration. Let us take your organization on a unique journey of personal growth and fun!

The Challenger Learning Center of Northern Nevada has created a program of missions customized for business and other organizations that are looking for a unique learning experience and opportunity for enhancing group dynamics. Begin your journey today. Contact Tom Taormina at Tom@RocketTom.com or 775-847-7929
