Best Practice #5

Leaders take care of their minds and bodies.

What daily practices do you engage in to renew yourself?

Saying you don't have time to take care of your body is like saying you're too busy driving to stop for gas.

What is your legacy?

Success without fulfillment is failure.

A photograph of a sunset over a body of water. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water's surface. The sky transitions from a pale yellow near the horizon to a soft blue at the top. The water in the foreground is dark with gentle ripples. A faint silhouette of a distant shoreline is visible on the horizon.

Live your life so that when you die,
the world cries and you rejoice"*
